

NEGATIVE STIMULI

POSITIVE STIMULI

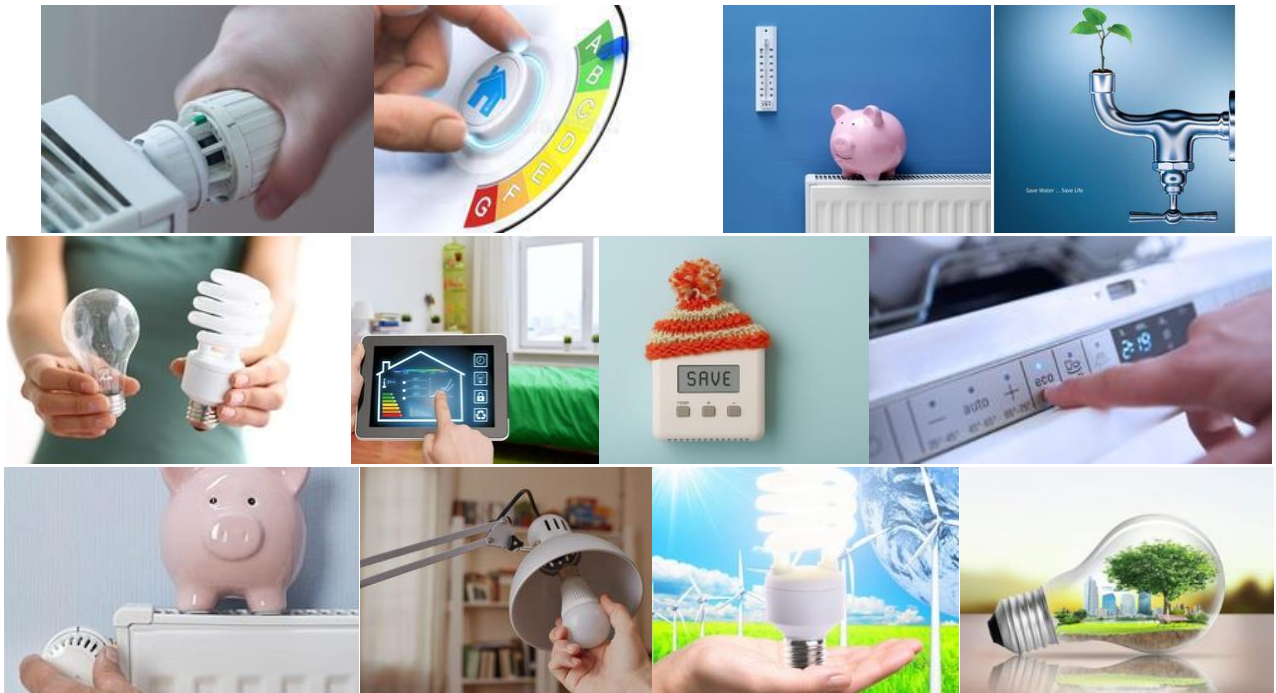

The collage consists of 15 individual images arranged in a grid-like fashion:

- Top Row (Left to Right):**
 - A person holding a blue recycling bin with a white recycling symbol.
 - A person disposing of a plastic bag into a blue recycling bin labeled "VERRE COLORE" (Colored Glass).
 - Two green recycling bins, one with a green checkmark and one with a red X, showing correct and incorrect disposal of plastic bottles.
 - Three children in green shirts participating in a recycling activity, sorting waste into bins.
- Second Row (Left to Right):**
 - A person disposing of a small object into a green recycling bin.
 - A black bird (possibly a crow or raven) standing next to a blue recycling bin.
 - A collection of various plastic bottles and containers, some with recycling symbols.
 - A graphic of a green recycling bin with a white recycling symbol and a leaf.
 - A large pile of colorful plastic bottle caps.
- Third Row (Left to Right):**
 - A globe surrounded by several small, colorful recycling bins.
 - A blue recycling bin filled with various types of metal cans and containers.
 - A person disposing of a plastic bottle into a green recycling bin.
 - A large, multi-colored recycling bin with labels for "General waste", "recycle" (paper, cardboard, magazines), and "recycle" (batteries, plastic, paper, glass).
- Bottom Row (Left to Right):**
 - A person disposing of a plastic bottle into a green recycling bin.
 - A graphic of a green recycling symbol with a pile of metal cans in the center.
 - A blue recycling bin labeled "RECYCLE" with a recycling symbol.
 - A person disposing of a plastic bottle into a green recycling bin.
 - A graphic of a green recycling symbol with a pile of batteries in the center.
